Pharmacy Departments

Department of Pharmacology :

The pharmacology department lays strong emphasis on research while imparting education in pharmacology, toxicology & other related subject . A primary objective of Pharmacology is to investigate the fundamental aspects of molecular bio-regulatory mechanism of the cell and understand how drugs act in order to develop new drugs for treatment of diseases. Toxicology examines foxicity and adverse effects of developed drugs, mechanism of chemical agents and how they produce mutagenicity, carcinogenicity, teratogenicity and neurological disorders.

The department has two separate laboratories

Pharmacology Lab - I :

It is established to understand the Human Anatomy, Physiology and Pathology of diseased state with the help of charts, models including human skeleton and various types of apparatus.

Pharmacology Lab - II:

It consists of equipment to investigate the activity of various drug samples, such as Digital Balance, Rota Rod, Electro Convulsiometer, Plethysmograph, Analgesiometer, Histamine chamber and Actophotometer.

Department of Pharmacognosy

“ Pharmacognosy is the science that deals with medicine derived from natural sources” Pharmacognosy is a specific discipline that dealswith the rapid developments in the knowledge and utilization of medicinal substances of biological origin (plant, microorganism and animal products)used for human and veterinary purposes. Thissubject provides information about the principlesand procedures used in the identification, authentication, extraction and isolation of active constituents by chromatography techniques, purification and development of herbal formulations and assay methods for the isolated constituents. Focus is also put on pharmacopoeial regulations, ICU, EU guidelines and principles of good manufacturing practices. The Pharmacognosy lab is equipped with Projection microscope, Sox heltapparatus, Clevenger’s apparatus, Stage micrometer and oculometers, Hot air oven, together with many crude drugs, charts and models.

Department of Pharmaceutical Chemistry

The department of pharmaceutical chemistry is one of the central important branches of the institute. It is equipped with state of the art facilities to undertake academics in Bachelor of Pharmacy course. In the frontier area of phytochemical research, the focus will be laid on isolation, characterization and evaluation of biological activities both by in-vitro and in-vivo models. Analysis of drugs and pharmaceutical chemicals forms the backbone of research and development in pharmaceutical industry.

The department has a Pharmaceutical Chemistry Lab I (Inorganic / Organic Chemistry Lab), Pharmaceutical Chemistry Lab II (Pharmaceutical Analysis Lab), Pharmaceutical Chemistry Lab III (Medicinal Chemistry Lab) and Pharmaceutical Chemistry Lab IV (Central Instrumentation Facility).

Central Instrumentation Room Facility :

The department focuses on training the graduate students on how to use the modern and newer instrumental analytical techniques such as HPLC, UV-Visible Spectroscopy, Fluorimetry and Flame photometry, Binocular Microscope. Special emphasis is laid on the implementation of good laboratory practices and analytical skills. The department is actively involved in developing new analytical methods and their validation, characterization and quantitative estimation of possible impurities in various dosage forms.

Department of Pharmaceutics :

Pharmaceutics is concerned with the strategies by which biologically active compounds are presented to the body so as to elicit an optimal response. It includes the design, preparation and testing of drug delivery systems. The department has a Machine Room, Pharmaceutics Laboratory I (GP/DP Labs), Pharmaceutics Laboratory II (Unit Operation Lab), Pharmaceutics Laboratory III (Microbiology lab).

Machine Room :

The machine room is well equipped with latest machines generally encountered in Pharmaceutical Industry like Coating Pan, Ointment Filling Machine, Ampoule Filling Machine, Bottle Washing Machine, Trade Layer, Rotary Evaporator etc.

Classrooms :

All the classrooms are spaciously designed and are well furnished with necessary technical teaching aids like OHP, Slide Projectors, LCD Projector, Laptop and power supply.

Seminar Hall :

The Institute possesses a Seminar Hall with seating capacity of 200 people. The hall plays host to guest lectures, seminars and various presentations.

Library :

The college library has a rich collection of printed as well as electronic resources which include:- Book including for particular topics or subjects as well as Reference books like dictionaries, encyclopedias, yearbooks, etc. National and International Journals & Magazines.

Database and Audiovisual Material. Computer Facilities :

Keeping in view the increased emphasis on technology, the Innovative College has developed a computer lab with broad-band connection. The lab is equipped with sufficient number of computers with the latest configuration and software's. In addition, we also have our own internet facility through local ISP.

Wi-Fi facility is also available. Hostel :

The hostel rooms for students have provision of 24 hours power back up with wireless internet connectivity and provide a professional ambience for work. There is a centrally located dining hall; the food prepared is a mixture of Indian & continental. The hostel is managed by student's body, with the help of an advisory body of the College. Besides these facilities, there is a T.V. lounge, a gymnasium and facilities for indoor games.

SPORTS FACILITIES :

A centrally located indoor stadium is being developed to provide facilities for all indoor games, carom badminton, carom and chess. The campus has also been facilities with a wide spread outdoor area for cricket, volleyball and football.

CANTEEN :

"OTHER FACILITIES IN SAINATH GROUP OF INSTITUTIONS"

Girls' Hostel

It was established in 2019 to provide a good and safe atmosphere for the girls. The residents have access to medical aid and counseling within the hostel premises besides in-house laundry facilities. A fully equipped kitchen provides wholesome vegetarian food and the hostel has an excellent library as well as TV and VCD facilities. Indeed, the concern, facilities and atmosphere give a soothing feeling to the parents/guardian who leave their wards in our hostel. The Girls Hostel of Sainath College of Pharmacy is a "Sweet home away from home"!!!

Boys' Hostel

The New Boys' Hostel of the College has modern facilities and dedicated staff. The hostel has been designed not only to make the stay of the students comfortable, but also to make them feel at home, to boost their morale & to encourage them to study. The hostel mess has an ultra modern kitchen with state-of-the-art equipments to prepare the food hygienically & a beautiful dining hall. A library with adequate number of books and journals, attracts & encourages the students to study more. Power cut? No problem!

Conference Hall

The Institution managed by Sainath Group of Institutions also provides with a state of the art conference hall for carrying out small conferences and meetings. The fully air conditioned conference hall has a capacity of about 50 people and in its quite and peaceful ambience is the ideal place for members to talk with other members and share everything from teaching methods, to current hot topics in the industry to requirements and expectations of corporate world from our institutions and what not.

The conference hall helps in providing suitable place for conferencing, congresses, meetings, lectures and audio / visual presentations on a small scale.

Transport Facility

Sainath Group of Institute has a fleet of luxurious transport buses that pick and drop faculty members / students from different places. The transport facility is spread across various points in Robertsganj, Hinduwari, Madhupur etc.

SPORT FACILITY AT SAINATH GROUP OF INSTITUTION

Every campus of Sainath Group has play ground to offer the various sports to its student's viz. Cricket, Football, Volleyball, Lawn Tennis, Basketball etc.

- The main responsibility of the sports wing includes:-
- To ensure the communal harmony.
- To build high character values.
- To generate better performance attitude among the students.
- To increase the strength of the students against various torments of life.
- All round developments of the students

MEDICAL FACILITY

In order to ensure the immediate medical help to the students, Sainath Group of Institution has medical dispensary in its campus needs of its students. The dispensary is kept open for 24 hours on all working days. Sainath Group also has its own ambulance which is available for 24 hours for the students.

CAFETERIA

All the Institution of Sainath Group of Institution have the most preferred place to meet, eat, read and live life at full swing. The cafeteria of various institutes of Sainath Group serves all delicacies like fresh fruits, variety of fruit juices, milk products, crunchy and spicy snacks, chocolates, burgers, pizzas, and many other food items of demand. The cafeteria keeps the students energetic, happy, mentally frees and ready open attitude for study.

STUDENTS RECREATION CENTER

Sainath Group of Institution in its all campuses has developed a fully furnished recreation center for its students, boys and girls. This area is utilized by the students for their creative talks, healthy, discussions etc. The recreation center has a variety of indoor game like Table- Tennis, chess etc and has attached bathroom to give complete comforts to the students.

LIBRARY

The library of an institute is the sole of its life. The institute library is a scholars pride with a host of books on inters disciplinary subjects. CDs, newspapers, journals, magazines, periodicals and other documented materials are available for the students as well as faculty members.

E-LIBRARY

In order to provide the instant and hi-tech help to the students Sainath Group of Institution has created an E-library in Sainath College of Pharmacy and Sainath Institute of Paramedical & Nursing Sciences which gives its access to its students around 2500 e-books. Students may prepare notes, get print outs and download the books for their study at home

VARIOUS CELLS AND IT S FUNCTIONS

Sainath Group of Institutions have established various cells and committees to bring and ensure the perfect harmony in its campuses and zero tolerance towards any kind of menace.

1. Proctorial Cell :

- In order to maintain discipline in the premises of the institutions, proctorial cells have been established in each of institutions of Sainath Group. The responsibilities of the proctorial cell includes the following:
- Enforce discipline in the premises.
- Attendance monitoring in the confuction with the exam cell and follow up action to ensure the regularity and punctuality among the students.
- Act as internal flying squad during examinations.
- Taking action against cases occurring outside the campus involving our students, only when brought to knowledge of the proctorial cell

2. Mentors :

In order to keep the parents update about the progress of their ward here at Sainath Group we have very unique system of operation. As we have made mentors committee and every teacher has been given the responsibility of his/her 20 students who regularity keep informing their parents about the attendance, progress in examination etc to the parents.

3. Examination Cell :

Function of the examination cell is to ensure the smooth functioning of the internal as well as external examinations.

Training & Placement Cell :

Sainath Group of Institutions have a very active Training & Placement Cell who takes all case of its students for their job after the completion of their course.

- Placement Cell of Sainath Group makes sure that it produces plug and play students for the market and every student masters the required standard of soft and technical skills needed by industries in this competitive period.
- Training and Placement cell is activity in contact with renowned companies in order to seek industry feedback on current ongoing courses in the college their feedback is implemented in the training of the students so that students faces fewer hurdles during their placement session.
